Entertain your staff, customers or business contacts this Christmas at the Cardiff Lions Club prestigious annual Charity Business Lunch.

The profits this year will again provide 144 food parcels for the elderly and needy of Cardiff and support various local charities. All our services are given voluntarily and no personal administrative costs are involved. We do hope that you will be able to support this worthwhile event and have an enjoyable start to the Christmas season.

With a hundred raffle prizes to be won, any donated raffle prize or even sponsorship, however modest, would be much appreciated and will increase our surplus on the event. If notified beforehand we will credit the company/name in the table lists. Special presentations, sponsorship or publicity are all open to negotiation.

Numbers are limited so please book early and complete and return the form below. Thank you.
